MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ROLE OF NON-BANKING FINANCIAL COMPANIES IN ECONOMIC DEVELOPMENT:

NBFCs aid in economic development:

NBFCs (Non Banking Financial Companies) play an important role in promoting inclusive growth in the country, by catering to the diverse financial needs of bank excluded customers. Further, NBFCs often take lead role in providing innovative financial services to Micro, Small, and Medium Enterprises (MSMEs) most suitable to their business requirements. NBFCs do play a critical role in participating in the development of an economy by providing a fillip to transportation, employment generation, wealth creation, bank credit in rural segments and to support financially weaker sections of the society. Emergency services like financial assistance and guidance is also provided to the customers in the matters pertaining to insurance. NBFCs are financial intermediaries engaged in the business of accepting deposits delivering credit and play an important role in channelizing the scarce financial resources to capital formation. They supplement the role of the banking sector in meeting the increasing financial needs of the corporate sector, delivering credit to the unorganized sector and to small local borrowers.

OVERALL REVIEW:

The survey for NBFC underlines that due to the launch of transformational Goods and Services Tax (GST) reform on July 1, 2017, resolution of the long-festering Twin Balance Sheet (TBS) problem by sending the major stressed companies for resolution under the new Indian Bankruptcy Code, implementing a major recapitalization package to strengthen the public sector banks, further liberalization of FDI and the export uplift from the global recovery, the economy began to accelerate in the second half of the year and can clock 6.75% growth this year. The survey points out that as per the quarterly estimates; there was a reversal of the declining trend of GDP growth in the second quarter of 2017-18, led by the industry sector. The Gross Value Added (GVA) at constant basic prices grew at the rate of 6.1 percent in 2017-18 as compared to 6.6 percent in 2016-17. Similarly, Agriculture, industry and services sectors are grown at the rate of 2.1%, 4.4%, and 8.3% respectively in 2017-18. The survey adds that after remaining in negative territory for a couple of years, growth of exports rebounded into positive one during 2016-17 and expected to grow faster in coming years. However, due to higher expected increase in imports, net exports of goods and services are slated to decline in 2017-18. Similarly, despite the robust economic growth, the savings and investment as a ratio of GDP generally declined. The major reduction in investment rate

occurred in 2013-14, although it declined in 2015-16 too. Within this the share of household sector declined, while that of private corporate sector increased. It points out that the GDP growth has averaged 7.3 percent for the period from 2014-15 to 2017-18, which is the highest among the major economies of the world. That this growth has been achieved in a milieu of lower inflation, improved current account balance and notable reduction in the fiscal deficit to GDP ratio makes it all the more creditable.

Though concerns have been expressed about growing protectionist tendencies in some countries but it remains to be seen as to how the situation unfolds. Some of the factors could have dampening effect on GDP growth in the coming year viz. the possibility of an increase in crude oil prices in the international market. However, with world growth likely to witness moderate improvement in 2018, expectation of greater stability in GST, likely recovery in investment levels, and ongoing structural reforms, among others, should be supporting higher growth. On balance, country's economic performance should witness an improvement in 2018-19.

The economic fundamentals are showing healthy trends, which corroborates the expected growth in the economy. Inflation has been largely tamed. The investment cycle in India is showing positive growth and expenditure on consumption is increasing, although in a fluctuating trend. This growth is likely to be sustainable considering government's focus on industrial activities, infrastructure development and ease of doing business.

The Finance Ministry said the government on a reassessment of the macroeconomic needs of higher public expenditure in a scenario when private investment is not picking up has tilted in favour of the gradual reduction of fiscal deficit.

OPPORTUNITIES, THREATS, RISKS, CONCERNS, PERFORMANCE AND OUTLOOK:

According to the Report of Ministry of Finance, The NBFC sector, as a whole, accounted for 17 per cent of bank assets and 0.26 per cent of bank deposits as on September 30, 2017. The consolidated balance sheet size of the NBFC sector increased by 5 per cent (September 2017 over March 2017) to Rs.20.7 lakh crores, as against an increase of 14.2 per cent between March 2016 and March 2017.

As there have wide scope of expansions for the NBFC in finance sector in India, NBFCs are now become crucial way for getting investment to other sector of markets. Along with the facilities such as investment NBFCs are now have a new opportunities as per the new RBI norms which are strictly followed by all the NBFCs.

NBFCs being financial intermediaries are engaged in the activity of investment. In this role they are perceived to be playing a complimentary role to banks rather than competitors, as it is a known fact that majority of the population in the country do not yet have access to mainstream financial products and services including a bank account and therefore the country needs institutions beyond banks for reaching out in areas where banks' presence may be lesser. Thus NBFCs especially those catering to the urban and rural poor namely NBFC-MFIs and Asset Finance Companies have a complimentary role in the financial inclusion agenda of the country. NBFCs bring the much needed diversity to the financial sector thereby diversifying the risks, increasing liquidity in the markets thereby promoting financial stability and bringing efficiency to the financial sector.

In the backdrop of a growing economy, NBFCs will continue to grow in the financial ecosystem and create meaningful financial inclusion and further the government agenda of 'Make in India' and 'Start-Up India'

Jyot International Marketing Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of JYOT INTERNATIONALMARKETING LIMITED (“the company”), which comprises the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the (Standalone) Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these (Standalone) financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, and its Profit/Loss and its Cash Flow for the period ended on that date.

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Jyot International Marketing Limited. (“the Company”) as of **31 March 2018** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our Audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial, assessing a risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that -

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of managements and directors of the company, and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of the internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, Projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31 March 2018**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 16:

SIGNIFICANT ACCOUNTING POLICIES AND NOTES FORMING PARTS ON FINANCIAL STATEMENTS

1. CORPORATE INFORMATION

- 1.1 Jyot International Marketing Limited is a listed public limited Company incorporated on 29/03/1989. Its Shares are listed on Ahmedabad Stock Exchange Limited. Company is primarily engaged in business of finance and investments.
- 1.2 The Company has obtained a Certificate of Registration as Non-Deposit Accepting Non Banking Financial Company (NBFC) vide Registration No. B.01.00425 dated 16.09.2002

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Accounting:

These financial statements have been prepared to comply with the generally accepted accounting principles in India (Indian GAAP), under the historical cost convention on an accrual basis, unless otherwise stated hereinafter and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India and referred to Section 129 and 133 of the Companies Act, 2013. The accounting policies applied by the Company are consistent with those used in previous year.

2.2 Use of Estimates:

The preparation of financial statements require management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures related to contingent liabilities as at the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Accounting estimates could change from period to period and actual results could differs from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes. Changes in estimates are reflected in the financial statements in the period in which changes are made.

2.3 Revenue Recognition:

Revenue is recognized on accrual basis when no significant uncertainty as to its determination or realization exists.

2.4 Fixed Assets:

Tangible Assets:

The Company does not have any fixed assets during the year under review.

Intangible Assets:

There is no assets in the books of company which can be accounted as intangible assets.

2.5 **Depreciation, Amortization and Depletion:**

Tangible Assets:

The Company does not have any fixed assets during the year under review.

Intangible Assets:

There is no intangible asset in the books of company.

2.6 **Investments:**

Investments are long term investments and are stated at cost and provision is made for diminution, other than temporary, in value of the investments. Current investments are valued at the lower of the cost and fair value. Profit or Loss on sale of investments is recorded at the time of transfer of title from the Company.

2.7 **Borrowing Costs:**

Borrowing Costs directly attributable to the acquisition or construction of qualifying fixed assets are capitalized as a part of cost of those assets till such time the fixed assets are substantially ready for their intended use. Qualifying fixed asset is an asset that necessarily takes a substantial period of time to get ready for their intended use or sale. All other borrowing costs are charged to Statement of Profit and Loss over the tenure of the borrowing.

2.8 **Employees' Benefits:**

The provisions of Provident Fund Act, 1952 and Payment of Gratuity Act, 1972 are not applicable to the Company at present.

2.9 **Taxes on Income:**

Taxes on income are accounted in the same period to which the revenue and expenses relate.

Provision for Current Income Tax is made on the basis of estimated taxable income, in accordance with the provisions of the Income Tax Act, 1961 and rules framed thereunder.

Deferred Tax is the tax effect of timing differences. The timing differences are differences between the taxable income and accounting income for a period that originate in one period and are capable of reversal in one or more subsequent periods.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specific period.

2.10 **Earning Per Share (EPS):**

Basic earnings per share are calculated by dividing the net profit or loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares considered for deriving basis earning per share.

2.11 **Contingencies and Provisions:**

Provisions are recognized when there is a present obligation as a result of part events, where it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made.

Contingent Liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of obligation cannot be made. Contingent assets are not recognized in the financial statements.

2.12 **Cash Flow Statements:**

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on available information.
